Or online payment available at willerupchurch.org

Volunteering

Awana is a volunteer-run organization. If you are free during Awana time, please consider helping.

All volunteers must go through training and a background check. There are a wide variety of roles from leading a small group to check-in, and more.

Middle school and high school students are invited to help with our **Cubbies**, **Sparks** and **T&T** clubs. This activity counts towards CHS Silver Cord hours. Let us know right away if you are considering volunteering.

Questions to

Andrea Kendall 608-333-9623

awana@willerupchurch.org

Awana is a world-wide, non-denominational, Community Bible club whose goal is to reach children and youth with the gospel of Christ and to train them to serve him.

Stuff Parents Need to Know

2023-2024

Arrival: Awana Club is an easy walk from Cambridge Elementary School, but **parents are responsible** for getting their child to club. Many children walk with a buddy via W. Water Street. If your child is registered and fails to check in, we will use the **phone numbers provided on the registration form** to try to locate your child. If your child will be absent, please call or text Andrea Kendall at 608-333-9623.

Pick up: Our **closing ceremony and awards** is held in the Games Room. Please plan to meet us there each week at 5:15. Weekly awards presentations will always be done by 5:30. Closing ceremony includes announcements and reminders for upcoming special nights. This is a great time to touch base with your child(ren)'s leader and learn how they are progressing.

For the safety of your children, we require parents to enter the Games Room to pick up their child(ren). Please remove your child's name tag and hand it to their leader. This provides the security of knowing your child is departing with the right person.

Snack: A snack is provided each week upon arrival. Timely arrival means more time for snacks and free play **before** club starts! **We need donations!** We will have a sign-up sheet for you to pick some dates to bring snacks. Shelf-stable snacks (granola bars, cookies, etc.) may be donated at any time.

Awana Bag: Most clubbers find it easiest to have a bag containing their Awana handbook, Awana uniform, Bible, and/or running shoes. Children should bring or wear running shoes to club as many of the games we play require quick movement.

Homework: While it's never a requirement, your student will ALWAYS get more out of Awana if they have worked on it at home before arrival. Many clubbers set a goal to complete their handbook before the last week of club.

Fees: \$40/child (maximum \$80 family). Scholarships are available (just ask). We gladly accept donations to the scholarship fund. If your child loses a book or uniform, the replacement cost is \$15 each.

Visitors: Parents, grandparents and visitors are welcome to visit any time! Commit to your clubber to come and watch at least one time this year!

Visiting students are welcome too, your child can invite friends! The number one way that the club grows is that the children invite other children.

Covid-19: We will adhere to the legal requirements in Dane County or any other authority above us at any given time. When masks are required, we will provide them. Please inform us if your clubber tests positive at any point in the year, so we can do appropriate contact tracing.
