

We'd love to personally invite you to our **Next Gen Ministry Parent Open House** – a special night created for *you* and your family as we step into a brand new ministry year together.

Next Gen Ministry Parent Open House

Wednesday, August 20th, 6:00 PM - 7:30 PM

Whether you're brand-new or have been part of AWANA or CREW for years, this night is for *all* parents. It's a chance to reconnect, get a fresh look at what's ahead, and see how your family can take meaningful steps forward this fall.

We'll gather to:

- Explore our newly updated student spaces**, designed to reflect the age and stage of our kids and teens
- Meet and reconnect with our leadership team**, including **Shauna Bauhs**, our new AWANA Director, and our CREW leaders
- Enjoy a grilled-out dinner** served by the CREW MEN
- Spend time around the bonfire**, sharing stories and conversation
- Hear the vision for this school year** – and how we're equipping both students and parents to grow in faith
- Discover how you can get connected too**, with a first look at our **Fall Life Group series**

Even if you feel like you already “know the drill,” this year is a fresh opportunity to build something meaningful – for your kids, yes, but also *for you*. This will be instead of our parents night during AWANA, so please plan to attend!

We want to help you **find your people**, grow deeper in community, and partner with us in raising the next generation for HIS glory.

With deep expectations,

Shauna Bauhs
